

"I Shall Be Released"

Bob Dylan

Some say everything can be replaced
And every distance is not near
So I remember every face
Of every man who put me here

(Ooooo).

I see my light shinin'
From the west down to the east
Any day now, any day now
I shall be released

Some say every man needs protection **(Ho-o-o-ho-o-o)**
Some say that every man must fall **(Ho-o-o-ho-o-o)**
Yet I swear I see my reflection **(Ho-o-o-ho-o-o)**
Some place so high, above this wall

I see my light, come shinin'
From the west down to the east
Any day now, any day now
I shall be released

Gitar solo

Standing next to me in this lonely crowd
Is a man who swears he's not to blame
(sopr) **All day long I hear him shout so loud (shout so loud alt/ten)**
Just **crying out that he was framed**

I see my light come shinin'
From the west down to the east
Any day now, **any day now.**
Any day now, **any day now.**
I shall be released

I see my light come shinin'
From the west down to the east
Any day now, **any day now.**
Any day now, **any day now.**
I shall be released, I shall be released

Any day now, any day now
I..... shall be released
